

## Daiichi Sankyo Contributes to Relief Efforts for Flood Victims in Northern India

The Daiichi Sankyo Group will donate a total of \$133,456 US dollars from Daiichi Sankyo Company, Ltd. (including Daiichi Sankyo India Pharma Pvt. Ltd.) and Ranbaxy Laboratories Limited, including its overseas affiliates, through the Prime Minister's National Relief Fund\* in India to aid victims of the floods in Uttarakhand State (situated in Northern India), which occurred on June, 2013.

In addition, Ranbaxy Laboratories Limited in India has separately donated 1,500,000 Indian rupees to Himachal Pradesh State, another area which has suffered heavy damage due to flash floods during the same period.
